Welcome!

We're so glad you've stopped by, and we are looking forward to getting to know you better. You are always welcome at First Assembly of God. It's more than a place – it's a family. We come from all walks of life and, most importantly, we are all seekers. We're seeking to know God and to allow His presence to transform our lives as we strive to serve Him, His church, and our families. We are family, and God is head of the house.

Nursery & Children's Activities:

As a courtesy to others, we encourage the use of our nursery facilities (birth to age 4) and children's church services (ages 5 - 12). Our ushers will be happy to direct you to an age appropriate location for your child. **Please note that if your child is coughing, or has the sniffles or other symptoms of a cold; please DO NOT leave them in the nursery. This will help protect our staff and other children.**

In the event of "bad weather," please call the church office at 541-447-7254 for a recorded message or go to www.prinevilleag.com to see if services have been cancelled.

Please turn off your cell phone or pager during the service.
Thank you for your cooperation!
